Good morning,

I spoke with my client. He has been meeting with some Doctors regarding some potential plastic surgery (evidently one of his eyes is drooping) so in light of this and some uncertainty with our ultimate damages I dont think we can stipulate to capping at 75k. I am filing an amended complaint momentarily so I think that would provide additional time for you to answer/remove. Would you be willing to accept service of the amended complaint on behalf of Mr. Pusateri?
